

MARVELLOUS MICROBES TRAIL

Discover the Microscopic World!

Discover the fascinating world of microbes with this fun and free adventure!

Start your trail from any point on the map. As you explore each venue – check the trail venues section on the back page of this map for precise locations – collect the hidden letters from the posters and fill them in the spaces provided on the right side of this map.

Once you have visited all the locations, use the QR code to submit your answers for a chance to win microbiology-themed prizes worth £50 for the winner and £25 each for the two runners-up!

Find the hidden letters

Write down the hidden letter found in the upper right corner of each microbe poster in the corresponding space below. There are nine microbes in total.

Please see the full address and facilities for each venue on the reverse of this leaflet.

- 1 Children's Library, Norfolk and Norwich Millennium Library
- 2 Sir Isaac Newton Sixth Form
- 3 The Book Hive
- 4 St. Peter Mancroft Church
- 5 Cinema City
- 6 Dipple & Conway
- 7 St. Peter Mancroft Church
- 8 Norwich Theatre Playhouse
- 9 Norwich University of the Arts (Guntons Building)

Once you've completed the trail, use this QR code to submit your entry.

For more information about how CMI will manage personal data please see our privacy policy via www.quadram.ac.uk/privacy/. The competition will end on 22nd of February 2025 and winners will be announced on 28th of February 2025.
